OST SOCCER

Out-of-school-time (OST) soccer programming is part of (UI's) suite of social emotional learning (SEL) services designed to build a strong foundation of SEL through sport and play. The OST soccer curriculum uses soccer as a tool to support SEL and soccer skill development. Each session involves experiential learning through play and discussion.

THE BASICS

- Teams of up to 30 2nd-4th graders
- Two 10 week seasons
- Three 90-minute sessions/week
